

Manufacturer's Declaration on CE Marking

CE Marking Not Applicable & Product Is Not Subject to CE Marking

To Whom It May Concern:

Product Groups:

FDS Series Fiber Optic Ducting Channels and Connection Accessories

Declaration,

We hereby declare that the above-mentioned product is a passive cable protection component intended for the routing and protection of fiber optic cables.

The product is manufactured from **PC-ABS Halogen Free, UL94 V-0 flame-retardant material**.

After reviewing the applicable European Union legislation, we confirm that this **product is not subject to CE marking**, as it does not fall within the scope of any EU Directive or Regulation requiring CE marking.

Therefore, CE marking is not applicable to this product, and no EU Declaration of Conformity or CE Certificate is required.

Upon request, we can provide:

- Technical Data Sheets
- Material Specifications
- UL94 V-0 Material Informations
- Halogen Free Material Declarations
- Available Test Reports

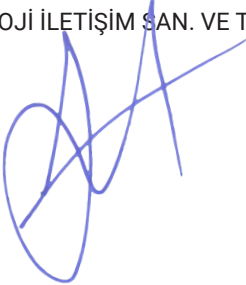

This declaration is issued under the sole responsibility of the manufacturer.

Thank you for your continued interest in Samm Teknoloji products.

Sincerely,

SAMM TEKNOLOJİ İLETİŞİM SAN. VE TİC.A.Ş.
