

## Polarity & Positioning

### 8 Fibers MTP to LC Polarity and Positioning | According to TIA-568.3

#### Type A "Cross"

#### Type B "Straight Through"

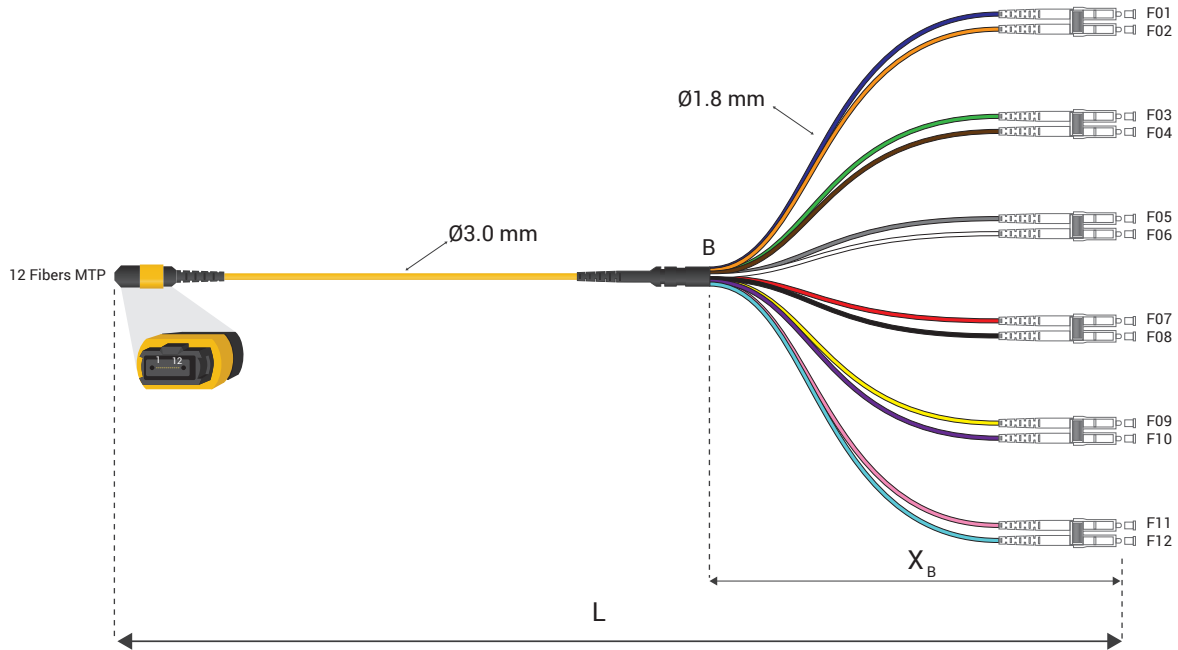

\*  $X_B$  (Tube Length) is standard 500mm. Please contact us for different tube length.

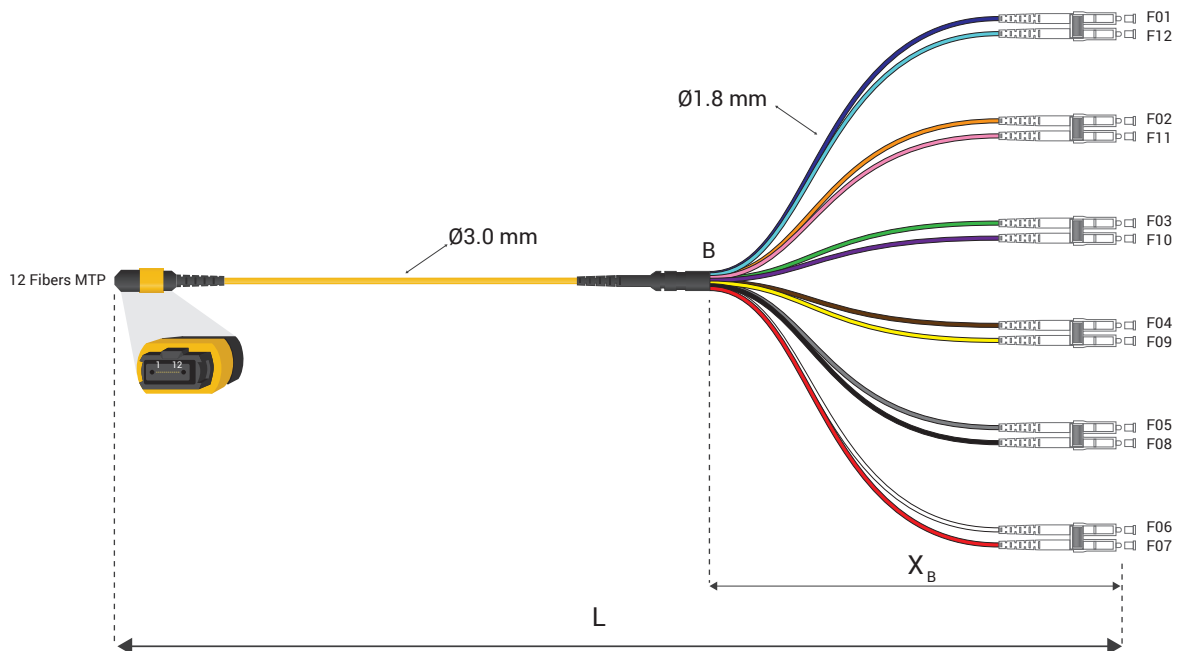

## Polarity & Positioning

### 12 Fibers MTP to LC Polarity and Positioning | According to TIA-568.3

#### Type A "Cross"

#### Type B "Straight Through"

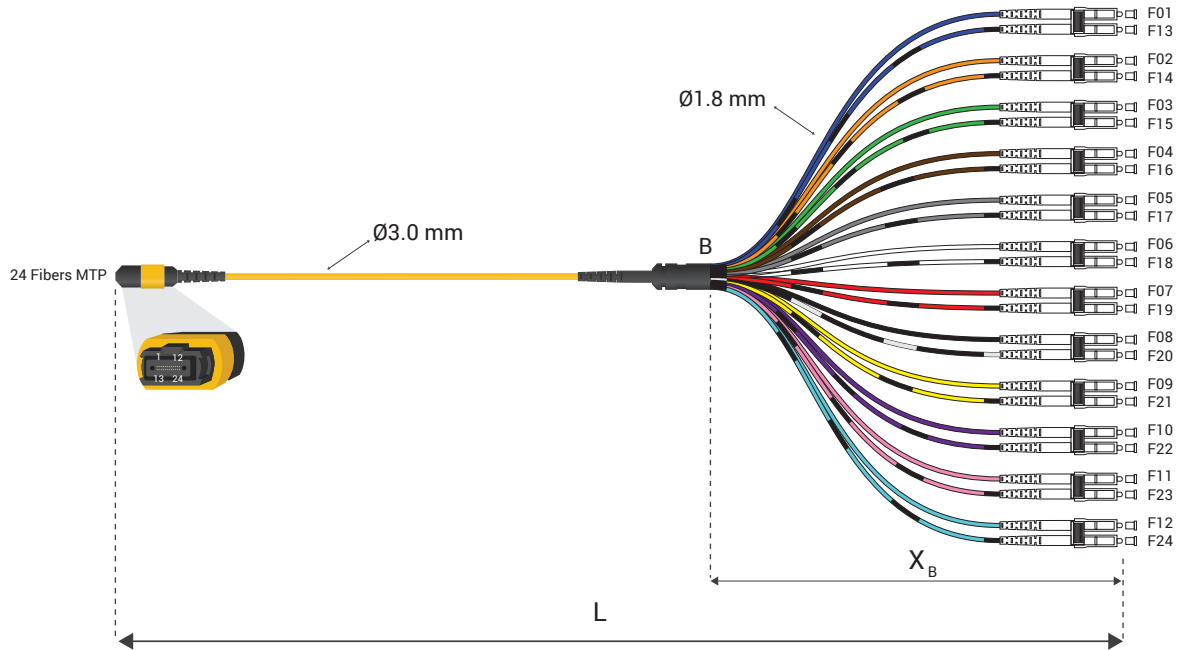

\*  $X_B$  (Tube Length) is standard 500mm. Please contact us for different tube length.

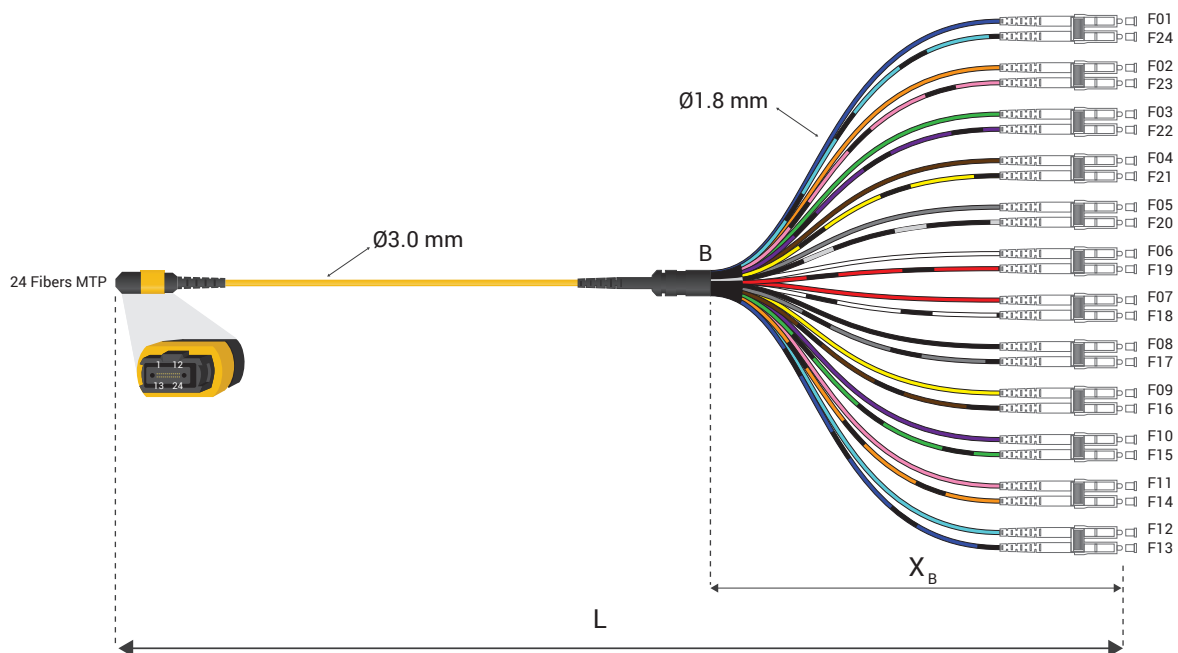

## Polarity & Positioning

### 24 Fibers MTP to LC Polarity and Positioning | According to TIA-568.3

#### Type A "Cross"

#### Type B "Straight Through"

\*  $X_B$  (Tube Length) is standard 500mm. Please contact us for different tube length.
